God of Love, teach us to bring peace

God of Mercy, teach us to bring peace

God of Forgiveness, teach us to respect life

God of Compassion, teach us to respect life

God of Justice, teach us to respect life

God of Power, show Your mighty power to protect those afflicted.

God of Wisdom, teach us and the Heads of State to build peace for the world, especially right now for Ukraine.

Almighty God, may You be glorified forever and ever. Amen.
