2. CROATIA

As you know, the Community house at Zagreb, Vlačka was badly damaged by the recent earthquake. The costs of repairs and renovations will be very high. If any Province or Community would like to make a contribution to help the sisters, please contact the General Treasurer. Thank you.

3. INTERNATIONAL TERTIANSHIP

Because of the Covid-19 pandemic and the difficulties of travelling, the International Tertianship 2020 – 2021 has been cancelled. The sisters concerned and their Provincials have been informed and it is hoped that these sisters will be able to make the tertianship in 2021 – 2022 or 2022 – 2023. The INDONESIAN TERTIANSHIP 2020 – 2021 has also been cancelled.

We keep in our prayers all those affected by the Covid-19 pandemic.

Sr Sue and the General Council
