I hope you are doing well. I just wanted to send a kind message to say thank you. You are such an inspiration, and your example of kindness, strength, and faith means a lot to me. Thinking about you encourages me to try my best, be caring toward others, and stay positive even when things are hard. Thank you for being someone I can look up to and learn from. I really appreciate everything you represent, and I will keep your values in my heart. *Sofia*

As we prepare for your feast day, thank you for reminding us to have courage and faith. You helped us by leading and showing us the power of women. You educated young women in believing and showing us what we are capable of. Please pray for us as we are finishing our junior year at Ursuline, and help us to live with purpose and gratitude. *Mary*

Thank you so much for establishing Ursuline, because of your commitment to women and educating them. Because of you I have an incredible place to go to school and learn and grow in my faith. *Yuruan*

Your courage, faith, and love continue to inspire Ursuline girls all over the world. Without your passion for God, and your faith in your sisters, we would not be the school we are today. Thank you for your continual inspiration and presence as we grow into women of God. I hope we've made you proud. *Siever*

Thank you so much for founding the Company of St. Ursula which later became the Ursulines. Being able to go to Ursuline Academy have been some of the best years of my life and I know that it wouldn't have been possible if you hadn't chosen to be brave and step away from the typical roles I know females held back then. You are truly such a role model all young women should aspire to be! *Mary Claire*

You are such a brave woman. Thank you for everything you have done. I am glad that you brought the community together. Thank you! *Amanda*

Please pray for our school and me as we continue our Ursuline girl journeys all because of you. *Marlowe*

Happy Feast Day! You were amazing in life. Your determination is truly inspiring. But mainly you founded the Ursulines. In 1855 they founded my school. It's cool. There's a lot I can do here that I cannot do in other places. Thank you for all you have done. *Juliet*
