NEWS FROM THE HOUSE OF ST ANGELA, LE GREZZE

OCTOBER 2026

News also from the Machetto!
4 October: in the afternoonwe went to the Machetto.
The chapel, built in 1684, had been dedicated to Saint Francis Xaver. Originally, there was a painting above the altar, by Andrea Celesti (1637-1712), portaying the Madonna del Carmine, Saint Francis Xaver, Blessed Angela Merici, Saint Antony of Padua and Saint Laurence. Now the painting is in the entrance to the Church of Saint Angela at Le Grezze.
The chapel at the Machetto is being restored and is already beautiful. (The last time we went there it was empty, probably in preparation for this work.) The work of restoratioon will continue. We were happy to hear this news.
Now it is clearly indicated "Church of Saint Angela Merici", and the little piazza in front "Piazza Saint Angela Merici".

17 October: a second group of collaborators with the Ursulines of Breganze, from Villa Savardo, came for a short visit before going to the Lake.
